Instantly want fresher, younger looking skin without needles or knives?

Start the year as you mean to go on – a quantum leap in skin improvement! We're offering an amazing Clear + Brilliant package special that includes 3 treatments for only \$999 as an introductory offer, never to be repeated! (usually \$499 each save \$498).

Taking skincare to a whole new level, correcting unwanted signs of ageing and giving you the power to even help prevent them. Enjoy visibly illuminated skin tone, renewed, ultra-soft and smoother skin texture, and naturally radiant and glowing skin.

Here's what an ABOUT FACE staffer had to say after she experienced Clear + Brilliant laser technology: "My skin is 'wow' after two treatments. I'd had freckles all my life but I had noticed they were no longer 'cute' but looked muddy and more like age spots. My skin feels and looks smoother now and there are definitely fewer lines – even the deeper lines across my forehead! I love my skin. It looks better now at 40 than when I was 30!"

Clear + Brilliant treatments are ideally taken 2-3 weeks apart. The course must be paid for by Saturday 31 March. Phone ABOUT FACE Mt Eden on 623 8400 now to book a consultation (\$55, redeemable) with Jackie or Sara.

SERIOUS SKINCARE

Q: What are the trends you see in 2012 for skincare?

A: Worldwide there are two polarising trends in skincare. A huge boom in natural and organic as many people question what they are using on their skin, as well as in their bodies in terms of chemicals, colourants and parabens. The second trend is the growth of cosmeceutical cosmetics – so advanced and complex they look towards pharmaceutical technology. These consumers are looking for real results to address the ageing process fast.

Q: What does ABOUT FACE have in store for these 2 types of ranges?

A: For natural, eco conscious girls, look to Priori Coffeeberry – rich in antioxidants, low in chemicals yet highly effective in delivering skin results! Another option is the wholesomeness product that is Pure Fiji – offering a blend of virgin coconut oil and other exotic nut oil. It doesn't get better than this! For power packing cosmeceutical lines we have lots of heavy artillery including Priori LCA AHA range + Idebenone, Environ – in particular their C-Quence range, and Ultraceuticals.

ABOUT FACE Awards 2011

And the winners are... We're excited to announce the winners of our annual ABOUT FACE Awards, where we recognise skin expertise, personal growth and excellence in customer service. This year we had a wedding theme occasion, based on the movie 'Bridesmaids' blockbuster from earlier in the year (see picture).

ABOUT FACE Skin Therapists of the Year 2011

We know our skin experts are the best – combining technical expertise with passion, warmth, and superb treatments. This award acknowledges our crème de la crème, and in 2011 our shining stars were Larissa (St Lukes), Adrianna (Remuera), and Kassi (Mairangi Bay). These girls will be joining us at the Pure Fiji conference this year in Fiji – congratulations!

Top Team: Te Atatu Peninsula

Our most coveted team award went to the team out west – the girls that had to make the move from West City to our gorgeous new clinic on the Te Atatu Peninsula. These girls epitomised our company vision of inspiring women to grow by giving generously of their time to local community services. They topped this outstanding year off with excellent team research into the effects of skin pigmentation of a natural enzyme peel made from coffeeberry.

Young Skin Therapist of the Year: Stacci

This award recognises excellence in a therapist with less than four years' experience in the skin industry. It was very difficult to award for 2011, as the standard and calibre of all of our young skin therapists is so high! Congratulations to Stacci from Mairangi Bay, who took out the award. Finalists included Bryony and Leah from St Lukes, Melissa from Mairangi Bay, and Larsa from Sylvia Park.

Front of Store Superstar: Judie

Congratulations to Judie from Sylvia Park, who won our Front of Store Superstar award. We couldn't do it without her, or any of our Front of Store superstars! Finalists included Michelle at St Lukes, Jody at Mt Eden, Marissa at Te Atatu, and Jo, who alternates between our clinics.
